Response to Notice of Incomplete Reply

Petition to Accept Previously Submitted Items

Applicants hereby petition, through their attorney of record, that the enclosed copies of the originally-submitted petition for extension of time, response to notice to file missing parts of application, declaration and power of attorney, and form PTO-1533 for the above-identified application be accepted and added to the file without any additional cost.

The facts and circumstances surrounding the submission of these papers are as follows:

(1) In September 1999, a notice to file missing parts of application with a two-month response date was received by Lucent Technologies Inc. Bell Laboratories and forwarded to the attorney of record.

(2) On December 15, 1999, a petition for extension of time with a certificate of mail stamp, a transmittal letter with a certificate of mail stamp, a 4-page declaration and power of attorney, and form PTO-1533 were sent to Box Missing Parts at the United States Patent Office.

I hereby certify that this correspondence is being deposited with the United States Postal Service in first class mail in an envelope addressed to the Assistant Commissioner for Patents, Washington, DC, 20231, on JAN 14 2000.

The certificate of mail stamps were signed by the attorney of record's secretary, Barbara Armstrong (see enclosed papers).

(3) In December, Lucent received the returned post card showing that the above-mentioned items were received by the United States Patent Office on December 17, 1999 (copy attached).

(4) On December 23 the notice of incomplete reply was received by Lucent Technologies Inc. Bell Laboratories and forwarded to the attorney of record.

Since it appears that the U.S. Patent Office has misplaced the originally-filed declaration and power of attorney, Applicants respectfully petition that enclosed copies of the petition for extension of time, response to notice to file missing parts of application, declaration and power of attorney, and form PTO-1533 be accepted by the United States patent Office without any additional fees. However, if it is determined a fee is due, please charge the fee to Deposit Account No. 12-2325. Any deficiency or overpayment should be charged or credited to that same account.

Respectfully,
